REPORT OF THE SELECTMEN

The Selectmen of Surry are pleased to provide the townspeople a review of accomplishments that occurred during the past year.

ROAD REPAIRS - Another portion of the Old Walpole Road was rebuilt. Approximately 1,500 feet of pavement has been replaced.

HANDICAP ACCESSIBILITY - The Town Hall is now more accessible than ever in past years. An exterior ramp has been added to the east side of the building. In addition, a ramp has been placed on the central portion of the porch leading to a new replacement door into the first floor room. With the installation of the stair glide chair last year, the second floor of the structure is very accessible to handicapped and elderly visitors.

TAX SALE - Through the tax sale of properties acquired by the Town over recent history, the town benefitted by \$75,268.00.

ROAD NAMES - In order to assist in the location of people and/or residences on private roadways, the Selectmen have assigned names as follows:

London Road - off north Mine Ledge Road;
Campground Road - off entrance to Surry Mountain Recreation Area;
Valley View - off Old Walpole Road near Keene city line;
Bear Run - off south side of Pond Road;
McCurdy Hill - off end of Malcolm Drive; and
Merriam Road - off Joslin Road.

TOWN HALL REFRIGERATOR - Two "antiques" were carted out of the first floor kitchen and replaced by one new appliance.

VOLUNTEER SERVICE AWARD - Hugh Clark, senior member of the Board of Selectmen, was acknowledged by the New Hampshire Municipal Association for his service to the Town. The citation included reference to Hugh's involvement in municipal matters throughout his adult life, especially thirty-two years as Selectman, ten of which as Chairman; ten years as a volunteer fireman and twenty years as cemetery Sexton. As an Outstanding Municipal Volunteer, Hugh has served as a model for his entire family, including his wife Virginia who serves as Town Treasurer and his sons Gerald, the Police Chief and Durwin, Surry's one-man highway department. CONGRATULATIONS!

Hugh and Virginia were named Surry Citizens of 1994 at the Old Home Day in August.

PROGNOSTICATIONS - The Selectmen continue to urge the townspeople to plan on the following major expenditures in the relatively near future:

Highway Truck Replacement - The dump body has rusted through and needs replacement immediately (\$4,800).

Police Cruiser Replacement - expected replacement in 1997. A capital reserve is needed.

Fire Truck - expected replacement of M-3 in the future. Upon completion of payments for the newest fire truck, a capital reserve fund should be initiated.

Respectfully submitted,

Board of Selectmen

SURRY FIRE ENGINEERS REPORT - 1994-1995

This past year has been a good one in terms of few calls of major incidents. We continue to be active in the medical response calls and auto accident and power line outages. The seriousness of downed lines sometimes escapes people, but power lines are very dangerous and to be respected by all. Sometimes the remaining lines are an unseen threat because of physical tension caused by the downed lines.

This year's budget includes a new roof for the fire station. Last winter water and ice entered the building due to the severe wear on the existing roof. A temporary layer of plastic was installed this fall to get us through to spring.

Another problem we are facing is the greying of your department's members. The average age is around 50 years old and we desperately need new people to train now. Otherwise, your majority fire fighters will be collecting social security.

Please consider joining us. We do have fun most of the time.

Remember your smoke detector batteries, escape plan, and second Monday of the month meeting.

Thankful for your support,

Donald Johnson
John Berglund
Roger Bienvenu

REPORT OF THE SURRY POLICE DEPARTMENT

The Police Department saw a slight decrease in activity this past year, although we had several more serious incidents that were time consuming. We also are still being utilized quite a bit in assisting other agencies.

Training plays a major role in Police work. We all have undergone numerous hours of training involving both hands-on, physical type training as well as classroom. This area continues to grow and expand as laws change, and new ones come into effect. Again, we are scheduled for numerous classes throughout the winter months.

Rumor has it again this year that the Army Corps of Engineers will be charging at the Surry Mtn. Rec Area and Otter Brook. No one quite knows all the particulars yet and the last we have heard, is that it's still up in the air. So don't be surprised when you can't get in without paying. The selectmen have approached the Army Corps to ask they not charge residents of Surry, however we were denied. Either way, we find we still need to remind people that the Rec Area closes at 8:00 pm Sharp!

The Police Department's equipment also continues to improve. All the Officers are equipped with bullet proof vests, and our weapons are also identical. We also have obtained a notebook computer which will allow us to keep all the Police department records with us in the Cruiser. As we have no actual Police Station, having incident reports available to everyone in the field will keep us all better informed as to who is involved with what. Also this year we need to begin a capital reserve fund for the Cruiser replacement. This should have been done last year, but in the interest of keeping the overall budget down, it was decided to wait until now. However, this will mean that the Cruiser has potential to be another year older before replacement, unless it is voted to increase the amount of the capital reserve fund.

Animal complaints are becoming more troublesome, even to the point of possibly requiring that cats be licensed the same as dogs. We have been asked to remind people that there IS a leash law within the town of Surry. So keep the dogs under control!

Thank you to the Surry Fire, Rescue and Hi-way departments for their assistance. The following is a summary of the Police Department activity for 1993:

REPORT OF SURRY HISTORY COMMITTEE

Instead of just writing about our activities of the past year, I am taking this opportunity to appeal to the residents and former residents of Surry. In particular, those living here in the late 1920's, 30's, and 40's, to please furnish us with names, family histories, social organizations, town events, pictures, World War II veterans lists, photos of Surry Mt. Dam construction, interesting stories or incidents.

Much data has been collected already, however, in order to create a publication interesting to all levels of readers, much more information is needed.

Currently, we have a good portion of the technical part done and plan to hire a writer to organize and compile this information in 1996.

Your help is sorely needed for this exciting community project. Come join us on the fourth Tuesday of any month at the Town Hall at 7:00 PM.

Thank you,

Calvin L. Frink
Chairman
